(D) This Recapture Agreement and the other Basic Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(E) To the best of the Company's knowledge, there is no action or proceeding pending or threatened by or against the Company by or before any court or administrative agency that would materially adversely affect the ability of the Company to perform its obligations under this Recapture Agreement, and all authorizations, consents and approvals of governmental bodies or agencies, if any, required to be obtained by the Company as of the date hereof in connection with the execution and delivery of this Recapture Agreement or in connection with the performance of the obligations of the Company hereunder have been obtained.

(F) The Company acknowledges receipt of notice of Section 874(8) of the Act, which requires that, if the Company claims any sales tax exemption by virtue of the Agency's involvement in the Project, the Company as agent of the Agency must annually file a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales tax exemptions claimed by the Company under the authority granted by the Agency.

(2) Pursuant to Section 874 of the Act, the Project may be exempted from certain of those taxes due to the involvement of the Agency in the Project.

(3) The Agency makes no representations or warranties that any property is exempt from the payment of New York sales or use taxes.

(4) Any exemption from the payment of certain sales taxes and use taxes imposed by the State and local governments in the State resulting from the involvement of the Agency with the Project shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date.

(5) No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of New York sales or use tax.

(6) Pursuant to Section 874(9) of the Act, if the Company claims any sales tax exemption by virtue of the Agency's involvement in the Project, the Agency must file, within thirty days of any appointment of the Company as agent of the Agency for purposes of claiming any sales tax or use tax exemption, with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(7) Pursuant to Section 875(5) of the Act, the Company acknowledges that (a) the Thirty-Day Sales Tax Report shall not be considered an exemption or other certificate or document under Article 28 or Article 29 of the Tax Law, (b) the Agency does not represent to the Company or any other agent, consultant, contractor, subcontractor or other person or entity taking or enjoying any amount of State Sales and Use Tax exemption benefits relating to the Project that a copy of such Thirty-Day Sales Tax Report may serve as a sales or use tax exemption certificate or document, (c) no agent or project operator may tender a copy of such statement to any person required to collect sales or use taxes as the basis to make any purchase exempt from tax, (d) no such person required to collect sales or use taxes may accept such a statement in lieu of collecting any tax required to be collected, (e) the civil and criminal penalties for misuse of a copy of such statement as an exemption certificate or document or for failure to pay or collect tax shall be as provided in the Tax Law, and (f) the use of such Thirty-Day Sales Tax Report, or the recommendation of the use or tendering of such Thirty-Day Sales Tax Report, as such an exemption certificate or document shall be deemed to be, under Article 28 and Article 37 of the Tax Law, the issuance of a false or fraudulent exemption certificate or document with intent to evade tax.

(8) Pursuant to Section 875(2) of the Act, the Agency must further, within thirty days of providing Financial Assistance to a project that includes any amount of State Sales and Use Tax exemption benefits, report to the Commissioner the amount of such benefits for such project, the project to which they are being provided, together with such other information and such specificity and detail as the Commissioner may prescribe. This additional report (the "Additional Thirty-Day Project Report") may be made in conjunction with the Thirty-Day Sales Tax Report or it may be made as a separate report, at the discretion of the commissioner.

(9) Pursuant to Section 874(8) of the Act, if the Company claims any sales tax exemption by virtue of the Agency's involvement in the Project, the Company agrees to annually

file and cause any sublessee or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Sales Tax Report"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other agents of the Company under the authority granted to the Company pursuant to Section 4.1(E) of the Lease Agreement.

(10) Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this Section 2, the Company shall immediately cease to be the agent of the Agency in connection with the Project.

(11) Pursuant to Section 875(6) of the Act, (a) the Commissioner is authorized to audit the records, actions, and proceedings of the Agency and of its agents and project operators to ensure that the Agency and its agents and project operators comply with all the requirements of Section 875 of the Act, and (b) any information that the Commissioner finds in the course of such audit may be used by the Commissioner to assess and determine state and local taxes of the Agency's agents or project operators.

(12) Pursuant to Section 875(6) of the Act, (a) the Agency is required to report and make available on the internet copies of its resolutions and agreements appointing an agent or project operator or otherwise related to any project it establishes and (b) the Agency is further required to provide, without charge, copies of all such reports and information to a person who asks for it in writing or in person.

If the Agency determines to grant such request by the Company, the Company agrees to assist the Agency in filing such Thirty-Day Sales Tax Report with the State.

(B) If the request by the Company includes any amount of State Sales and Use Tax exemption benefits, the Company shall notify the Agency in writing of such fact, and shall furnish to the Agency a completed Additional Thirty-Day Project Report relating to the Project.
